

Helpful Tips for completing the AAGAMF Scholarship Application

- Complete all sections – don't leave any sections blank.
- Submit your application on time – start early.
- Your transcripts must include current grades, a grade scale and be included as a hard copy with the application.
- Your major must be in a Printing Technology Graphic Communications program. ***Not Fine Arts.***
- You must a Michigan resident or an "out of state" student enrolled in an ***approved graphic communications course of study*** at one of Michigan's colleges or universities.
- The applicant appraisal section must be completed and contain the proper signatures.
- Take your time when completing the application – make sure your writing is neat and legible.
- Have someone else review the application before it is submitted to ensure it is complete and accurate.
- Good Luck!
